The all new Tuffy X-170 T Esox is the ideal boat for the multi-species angler looking to fish both big and small waters from a fishing-only interior built into a stable, fast, dry riding low profile V hull.

Built for the value conscious angler, the new X170 T rates at 50 HP tiller, but will run great with as little as 30hp. Muskie-sized livewell, rod locker, front deck storage, and a no nonsense interior built for comfortably fishing Muskies to Bluegills, the X-170 fits the bill.
